MERLOT

RED LAKE 2017 VINEYARD

WINEMAKER NOTES

This full-bodied wine is balanced and soft, yet intense. Aromas of rose petals, sweet cherries, candied figs, chocolate and mocha invite you to taste. On the palate, it is vibrant with ripe, juicy berries. This finely structured and well-balanced wine will steal the show often with the refined, elegant sweet oak finish taking a bow at the end of every sip.
